Drawings

In the Examiner’s Comments mailed on July 17, 2007, the Examiner requests that Applicants amend the legend of Figure 9 to only describe Figures 9A and 9B. The Examiner also asserts that while the specification describes Figures 10A, 10B, 16A and 16B, the drawings do not contain these labeled figures.

Applicants respectfully submit that the formal drawings filed on October 12, 2004 remedy the Examiner’s concerns. Nonetheless, in an effort to expedite issuance, Applicants submit herewith formal drawings and request that these figures be published when the instant application issues. Applicants believe these formal figures are in compliance with 37 C.F.R. § 1.84 and address the Examiner’s concerns. Applicants respectfully request that the Examiner notify Applicants if there are any objections to these formal drawings.
